

Yes! God Knows All About YOU!

God has examined your heart and He knows everything about you! He knows when you sit down and when you stand up. When you think that you're "far away," He knows your every thought. He "charts your path" ahead of you. He tells you when to stop and rest. Every moment He knows exactly where you are. He knows what you're going to say before you even say it. He both precedes and follows you, and places His hand of blessing on your head. Yes! this is too glorious, too wonderful to believe! You can never be lost to His presence. If you were to go "up to heaven," He is there; if you were to go down to the "place of the dead," He is there. If you were to ride the morning winds to the farthest oceans, even there His hand would guide you, His strength would support you. If you would get lost in the darkest night, the night would become light around you. For even the darkness cannot hide from God; to Him the night shines as bright as day. Darkness and light are both the same to Him!

God made all the delicate, inner parts of your body, and knit them together in your mother's womb. Surely we thank Him for making us so wonderfully complex! It is amazing to think about. His workmanship is marvelous--and how well we know it. He was there when you were being formed in utter seclusion! He saw you before you were born and scheduled each day of your life before you began to breathe. Every day was recorded in His Book!

How precious it is to realize that He is thinking about you constantly! You can't even count how many times a day His thoughts turn to you. And when you waken in the morning, He is still thinking of you!

Yes, God searches your heart and tests your thoughts. He points out anything that makes Him sad, and continues to lead you along the path of everlasting life.
